BIOGRAPHY

Peter Hurm is a member and corporate transactional attorney with TroyGould where his practice focuses on corporate finance, mergers & acquisitions, regulatory matters, and general corporate representation of companies in a variety of industries, including technology, entertainment, healthcare, automotive, manufacturing, consumer goods, and business services.

Mr. Hurm acts as outside corporate counsel to companies and advises them on their ongoing business operations, as well as structures and negotiates corporate transactions for every phase of a company's life cycle from formation through acquisition for early stage, middle market, and multinational corporations. In the mergers & acquisitions arena, Mr. Hurm advises on both strategic corporate and private equity transactions. In addition to company representation, Mr. Hurm also advises on individual business matters for corporate executives, entrepreneurs, entertainment celebrities, and professional athletes.

REPRESENTATIVE MATTERS
